

The Los Angeles Trust for Children's Health

School Health Integration Measure						
		Never (0%)	Sometimes (1-33%)	Often (34-66%)	Frequently (67-99%)	Always (100%)
1. Health authority						
1a.	SBHC contributes subject matter expertise on school wellness policies and health-related programs and services (nutrition, physical activity, safety, discipline) that support student well-being.					
1b.	SBHC actively promotes campus-wide policies and practices that assure a safe and healthy school environment for all students and staff, including participation in school's crisis prevention and intervention plans.					
2. Integrated programming						
2a.	A specific protocol exists for the SBHC to refer students for academic support in the school.					
2b.	A specific protocol exists for the school to refer students for health support in the SBHC.					
2c.	SBHC conducts schoolwide health campaigns or events.					
3. Marketing and recruitment						
3a.	SBHC conducts active outreach in the school or community to inform students about the services it provides.					
3b.	SBHC conducts active outreach in the school or community to inform school staff about the services it provides.					
3c.	SBHC conducts active outreach in the school or community to inform families about the services it provides.					
3d.	SBHC successfully enrolls students in services who are identified in school population screens.					
4. Shared outcomes						
4a.	SBHC and school regularly and actively exchange information about aggregate student well-being and outcomes.					
5. Staff Collaboration						
5a.	SBHC and school staff spend time together collaborating on student support.					
5b.	SBHC has a formalized understanding of how it collaborates with school administration, teachers, and support staff—school nurses, psychologists, and counselors—to ensure the partnership meets student needs efficiently, effectively, and seamlessly.
